November 2010

Dear Cousins,

Even in these challenging economic times, interest and enthusiasm for genealogical research remains robust. Our office and unique library will remain in Braintree for at least another three years as we have renewed our lease recently on more favorable terms.

Nevertheless, as we continue to update our facility technologically, we seek your assistance in financing equipment and computer enhancements. Ultimately, with these upgrades, the benefit will accrue to YOU since it will make it much easier for you to research your ancestors with an expanded database focusing specifically on Mayflower and Pilgrim related genealogy.

I urge you to be as generous as possible in helping us to continue to commemorate the story and history of our remarkable ancestors. Thank you very much.

Sincerely,

Michael H. Studley, Governor
